

Copy of Latest Automated Email sent out from e-PD on Monday 03 December 2018

Welcome to our automated weekly electronic newsletter with the latest updates on courses and resources on the e-PD website.

Calling all CPD Coordinators!

TIME FOR SOME HOUSEKEEPING..

Now that Christmas is looming large on the horizon, we need to ask you to take time to check your school's listed users and delete anyone who is no longer at your school. Go to [My Account/View Users](#) to check the list and update your staff – with GDPR rules we need your help to do this!

Please encourage all your new staff to register on e-PD to maximise the benefits of your membership.

Booking a course:

Log in to your e-PD account and search for courses (tip: shorten 'Mathematics' to 'Math' to get 'Maths' as well). Please ensure that you have sufficient credits in your account to reserve places on courses offered by other schools. Your school can buy credits under the 'CPD Coordinator' login – My Account/Buy credits button using the Paypal link, or just simply send a cheque to us for the right amount (please buy in batches of 100 – each credit is worth £1.25), using the form under the Join us big button on the home page of the website.

Finding resources:

Staff in all subscribing schools have access to a wide range of downloadable resources such as subject guidance, authoritative papers, reports and studies carried out by other schools. You can use the search facility to find these (change the drop down to 'resources') or your 'CPD Coordinator' can access a complete listing under **My Account/My Resources button**.

You can get help with features of the website by pressing the 'help' link at the top right of the website and using the 'turn-page' guide.

Help Us to Help You
